ABOUT RAVI

Ravi Yarramsetty is a project management professional with nearly 13 years of experience in Quality Assurance, Project Management and Business Analysis. Throughout the course of his career, Ravi has been involved in Scrum methodology with in multiple teams w.r.t LOB.

Ravi is a highly skilled, results driven leader with exceptional integrity and passion for building and motivating teams. His greatest strengths center around his extensive experience in successful on-time, on-budget, delivery across large-scale global technology programs. As a leader, Ravi has effectively led and inspired internationally distributed teams of 50+ associates. He has a proven track record of building and working within both internal and external customer relationships.

Ravi is a change agent who infuses creative thinking into teams and implements innovation with speed and effectiveness.

WHAT OTHERS HAVE TO SAY

"I would like to recognize your efforts on the WalMart Projects. Your open and honest communication with the team has allowed us to learn and better the process. It is difficult to submit bad news or undesired results. However, it is a necessity that we are open and realistic in order to serve our clients and ensure quality. Thank you Ravi!" - *Heath W.*

PERSONAL SLOGAN: "WORK IS WORSHIP."
