ABOUT TRAVIS

Travis started his career working for Cutco Cutlery in Sarasota when he was in college. He started out as a sales rep, he then became assistant manager, and eventually got another promotion to become the branch manager. After leaving Cutco Cutlery, Travis spent two years in IT recruiting in Nashville. Currently, Travis focus exclusively on InfoWorks, and has been there for the past 2.5 years. Throughout his career, he has developed a strong skill set that consists of business development, account management, understanding needs and mapping needs to service offerings. Travis holds a B.S Kinesiology degree from the University of Tennessee.
