ABOUT VISHAL

Vishal Pampanwar has over fifteen years of experience leading user experience and product strategy for SAAS-based enterprises and consumer facing solutions. Currently, Vishal leads User Experience products at ChenMed LLC.

Prior to joining ChenMed, Vishal worked for Premier, Inc. where he lead user experience for healthcare analytics and workflow solutions in the areas of population health, clinical quality performance improvement, EHR, supply chain, and labor cost management solutions. Previously, Vishal worked for Apollo Group where he led user experience strategy and design for online learning management platform, CRM, and ERP application for University of Phoenix and other online colleges.

Vishal holds a master's degree in Industrial Engineering with specialization in Human Computer Interaction and Human Factors from Clemson University.

PERSONAL SLOGAN: "BEGIN WITH THE END IN MIND."
