ABOUT CHERYL

Cheryl is a seasoned IT Leader, Agile Coach and Project Manager with over 20 years of hands-on experience across multiple global industries. She focus on dynamic results driven certified PMP Project Manager and Agile Coach with solid experience managing concurrent, highly matrix cross-functional technology projects and teams through their full project delivery lifecycle in developing and implementing complex business solutions reducing overall costs, increased time to market and improvements of processes and service levels. Cheryl is an accomplished leader in motivating global high performance teams to meet deadlines and reach their fullest potential adding value to the organization. She is also an expert in using and administering enterprise Project Management, Agile Management/Development, Resource Management, Financial Management, Presentation and Change Management Tools. Prior to working at The Home Depot, Cheryl has worked at Quintiles, McCammish Systems, TIAA-CREF, and SelectCare Health Plans mainly in the IT Project Management field. Besides an accomplished career, Cheryl also holds a Business, IT degree from Saint John's University.

WHAT OTHERS HAVE TO SAY

At The Home Depot we value our associates and have received some good feedback in regards to me always there and supporting "Voice of the Associate"

PERSONAL SLOGAN: "TREAT OTHERS KINDLY AND LIKE THEY WOULD TREAT YOU..."
