WHAT OTHERS HAVE TO SAY

"Joe is an empowering leader and his integrity is unquestionable. He has a way of motivating his team in such a way that is easy and flexible. Additionally, he is strategic in his decisions. It is my pleasure to recommend him."

"I was fortunate to be able to solve some very interesting technical problems during my time at Sprint, but it was from Joe that I learned how to deal with unexpected change. He kept the team motivated, set clear direction in the face of uncertainty, and ensured we were able to deliver a world class solution. His integrity, positive outlook and cool demeanor under pressure have been inspirational to me, and I would welcome the opportunity to work with him in the future."
