WHAT OTHERS HAVE TO SAY

"Jay is the definition of what you want in an Agile Coach; an effective communicator, honest, and transparent. Jay empowers teams by giving constructive criticism and sharing his extreme belief in and passion for Agile. You can't help but be inspired and motivated!" Ashonzay M

"In a very short time, Jay engineered a series of sweeping changes in the way we think and conduct business at GEICO that have led to greater transparency, increased productivity, and more excitement and pride in our work." Dan G

"Jay is extremely passionate about what he does and he lives and breathes Agile. He's fantastic at understanding how to most effectively reach a variety of individuals through different teaching styles. He constantly pushes people to improve and challenges everyone to not rest on their laurels." Joseph W

"Jay has been a key change agent within our organization. It's one thing to show an interest in the Agile Scrum methodology, but Jay lives and breathes it, which makes it easier and more rewarding to learn from him." Woodrow G

PERSONAL SLOGAN: "WE ARE WHAT WE REPEATEDLY DO.
EXCELLENCE, THEN, IS NOT AN ACT BUT A HABIT." - ARISTOTLE
