ABOUT KATE

Kate Megaw, CST, PMP is the Chief Operating Officer of the Braintrust Consulting Group where she specializes in working with executives and C-level professionals in addition to serving as an Agile Coach and Trainer. Kate is a dynamic Project Management Professional with more than 15 years experience in successfully planning, directing, tracking, and managing complex projects. Before co-founding The Braintrust Consulting Group, Kate worked as a project manager for the global leader in Corporate Actions automation. Now she uses her years of experience to guide clients through the transition from a waterfall to Agile delivery model. Kate is client-focused with finely honed communication and presentation abilities, complemented by strong planning, organizational, and people management skills. Kate is a motivator and encourager and is happiest when she breaks through to a client and leads them to the 'aha' moment.

Before moving to the United States, Kate received her bachelor's degree in information management from the Queen's University of Belfast in Northern Ireland.

WHAT OTHERS HAVE TO SAY

"Kate has a great mix of agile theory, real work applicability, and motherly patience. We never had team members ask why Kate was there; the teams always asked when she was coming back again." - Ken

"Kate is an incredible teacher, very clear and concise with her delivery and knowledge of content." - Doug

"Kate has absolutely mastered soft skills and uses them consistently to facilitate critical discussions. She helped us address impediments and resolve conflicts." - Juneane

"Kate's enthusiasm and energy inspires others to seek out learning opportunities independently thereby developing their own passion. There is always a sense of excitement among the staff whenever they are presented with the opportunity to work with Kate for training, coaching, retrospectives - in any capacity." - Jen

PERSONAL SLOGAN: "IF WE WORK TOGETHER, WE CAN SOLVE ANY PROBLEM."
