## ABOUT TAMI

Tami is a scrum professional experienced in developing, executing and leading Agile practices. She possesses exemplary planning skills that look for ways to improve the organization through 1:1 and team coaching, motivation, facilitation of Agile ceremonies, mentoring and process improvement. Tami has a proven record of success in Servant Leadership, Quality Management and Project Management using Agile methodologies and monitoring tools. She is able to train, lead, and motivate effective cross functional teams. She is also an active member of the Tampa Bay Scrum Master's Guild, QA Tampabay, Product Owner Group where she attended meetings sponsored by Tampa Bay Agile Community. Tami's top 5 strengths consists of: Responsibility, Maximizer, Achiever, Developer and Relator. Tami also loves to assist and participates in the Agile Community meet up groups. For the future, Tami aims to continue on the Agile world, so she can coach and guide others on Agile principles.

During her free time, she enjoys volunteering, teaching tool store and help with Grow Charity events. Tami has a bachelor of science degree in computer information systems from Saint Leo University. She also holds a Business Management, Accounting degree from Hillsborough Community College.

Enjoy Volunteering: Teaching Tool Store, Help with Grow Charity Events

## WHAT OTHERS HAVE TO SAY

"Thanks for your contributions and the leadership you have shown by stepping in and helping the CDTs team overcome some of its obstacles and become a more cohesive group. A very noticeable improvement has been made in no small part due to your efforts. Your support of Agile principles and team building is very much appreciated."

"Tami, thank you for being a team player and for doing such an excellent job as a Scrum Master (on top the QA work) in the CDTs. A great Scrum Master can really make a difference in a team in regards to values, progress, and on-going adaption/openness to growth, accountability, and resilience. I, as well as many others, greatly value and appreciate you embodying all those Agile principles so well, as it is needed daily. Keep on going!"

**PERSONAL SLOGAN:** "DON'T BE CONSUMED WITH BEING RIGHT...  
BUT RATHER BE CONSUMED WITH DOING THE RIGHT THING."
