Certified ITIL Expert

ABOUT THOMAS

Tom started at Disney about 20 years ago selling tickets out of a ticket box. He found his calling at Disney within the IT field rolling out their initial Automated Ticketing System. Tom's biggest strengths consist of problem solving and finding operational improvements within application software.

WHAT OTHERS HAVE TO SAY

"Tom is always willing to assist with any problem. He addresses issues and concerns with courage, decisiveness and calmness. Likewise, his technical knowledge is insurmountable."

"Tom is a talented technologist, able to see the big picture and easily understand complex composite applications in a challenging business environment. He keeps a realistic yet positive outlook, and strives to partner with peers to deliver creative solutions."

PERSONAL SLOGAN: "TREAT OTHERS AS YOU WISH TO BE TREATED."
