Certified Agile Leader

## ABOUT ANDY

Andy Anderson started his career as a USAF Radar System Technician where he was involved in Component level electronic repair. When he completed his service, he joined the Community College of the Air Force where he served as a Corporate Air Craft Technical Writer. Andy originally joined Disney as a landscaper, but quickly moved into robotics, animations, fireworks and video/audio projects as a WDW EPCOT Computer System Technician.

### HOMETOWN

BOHEMIA, NEW YORK

From his experiences as a computer system technician, Andy moved into a similar role with the Disney Communications division where he worked on IT updates, timeclocks, and ticketing hardware. He was then promoted to Manager of Data Communications, then Senior Analyst and eventually Business Applications Manager of Hong Kong Disneyland. After spending 7 years in Hong Kong, Andy returned to the US to serve as Manager of Information Technology at Walt Disney World in 2012.

**PERSONAL SLOGAN:** "TREAT OTHERS AS YOU WOULD LIKE TO BE TREATED."
