ABOUT DANIEL

Daniel Hirschlein is a high quality technical and business-savvy professional with over 10 years of cross-functional experience in various business environments and industries. He has extensive experience utilizing state-of-the-art tools and methods for building, managing and deploying computer applications and systems. Daniel excels in solving business challenges by leveraging technology. He has served as a valued member of the Grow Financial Federal Credit Union team since 2008. Daniel has risen to the ranks of Assistant Vice President of Analytic Services managing Grow FCU's business intelligence capabilities. He is a diligent, goal-oriented professional who knows how to get work done correctly, on-time, and with the customer's best interests in-mind. Daniel earned a Bachelor of Science degree, a Master of Science degree, and a Master of Business Administration degree. He works hard to maintain a work-life balance by being a dependable professional, wonderful father, and loving husband.

WHAT OTHERS HAVE TO SAY

"Dan is a great teammate. He takes ownership of the tasks he is working on. He takes care to make sure designs are implemented correctly, on-time, and with customer's best interests in-mind."

"He is hard-working, and extremely professional. I enjoyed working with him, and I give him a very high recommendation."

"Dan is a person everyone likes to work with. Easy going, very quick in understanding the task at hand. A valued addition to every team."

PERSONAL SLOGAN: "THE WAY TO GET STARTED IS TO QUIT TALKING AND BEGIN DOING." - WALT DISNEY
