ABOUT EMILY

Emily Nichols is a talented professional who has worn many hats. Emily has extensive experience in the Financial and Marketing industry. She began working in the Marketing department at Grow Financial 17 years ago, eventually working her way up to VP of Marketing. In 2008, Emily transitioned to the Financial department as an analyst where she naturally excelled in strategic and critical thinking. In 2012, Emily spearheaded the Analytics Division and eventually assumed the role she holds today, VP of Analytic Services. At Grow Financial, she is known to be an inclusive, trustworthy leader who fosters a collaborative and welcoming work environment.
