ABOUT DEBORAH

Deborah began her career in a physical therapy office utilizing FOTO for their functional outcomes before she joined the FOTO team. Over the following years at FOTO, she moved into the role of Director of Support Services as well as the Agile Product Owner as a CSPO. While in the Product Owner role, she defines the product roadmap, oversees the development of new application features, and enhances existing application feature from inception to release. During her time away from the office, she enjoys spending time with her family. Her personal strengths include: being dedicated, loyal, detailed, compassionate, family-oriented, organized, dependable, caring, a woman of strong faith with a positive attitude, and always willing to pull up her sleeves and help.
