ABOUT ANU

Anu is an IT professional with over 20 years of industry experience. Anu holds a Master's degree in Psychology from Osmania University in India and a Master's degree in Business Administration from Bowling Green State University, Ohio.

Anu has extensive experience with large scale agile transformations, integral to the success of the likes of Capital One through her training and coaching expertise. She has specialized in leadership coaching and large group facilitation. Anu has established internal agile coaching Centers of Excellence for several clients to allow self-sustained coaching of their agile transformations. She has developed a coaching program specifically designed for evolving organizational leaders. Anu speaks frequently at conferences both nationally and internationally on Product Ownership and Group Facilitation Techniques.

Anu is passionate about coaching and training others, dedicated to helping to achieve professional and personal success. She is also committed to improving the agile community through a number of activities. She is an active member of the larger Scrum and Agile community and enjoys giving back via volunteering at various conferences. She is also a Program Advisor to the Scrum Alliance Events group as they plan, organize and coordinate various conferences, retreats and meetups around the world.

WHAT OTHERS HAVE TO SAY

Our company is new to the Agile process. Anu came in for three days and floored us with her passion and excitement for this process and what it can do to help us get better as an organization! I would recommend Anu to anybody looking to learn more about Agile or in need of consulting services on similar topics. She made the learning process fun and enjoyable for all of us! *-Phillip H.*

By the end of the class, we were calling her Anu "AWESOME" Smalley. Her energy and enthusiasm for Agile and the development of others is contagious. She is an excellent trainer and an extremely effective coach, who I would hire again without hesitation! *-Natalie H.*

I have not met many other people with as much drive and enthusiasm for Agile and Scrum. Her hands-on experience makes her training classes come to life and her love of the subject is contagious. *-Kinzie W.*

PERSONAL SLOGAN: "LEARNING IS GROWING."
